How to Order Checks, Forms and Accessories

Select a Compatible Check or Form Layout

Find the check or form featured in this catalog that will meet your needs. Our forms are guaranteed to be compatible with your software.

Choose Laser or Continuous Format

Choose laser format for laser or Inkjet printers.

Continuous format is available for dot-matrix or tractor-fed printers. Your MAS 90 and MAS 200 software supports both laser and continuous formats.

Choose Style and Color

Choose the style, parts and check color (if applicable) to meet your business needs. Free samples are available – please call 800-538-5514.

Add Business Accessories

Order compatible envelopes and pre-inked stamps to save time. Imprinted deposit tickets are also available.

Other Decisions About Your Checks & Forms Order

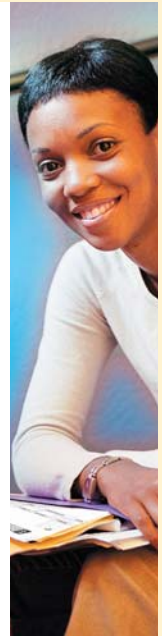

- How many checks?
- What will the starting number be?
- Do you want your personalization in an upgraded style?
- Do you need your laser checks reverse numbered?
- Do you want to print a logo on your checks?
- Do you want one or two signature lines?
- Do you also need personal checks?

100%

satisfaction
guaranteed

If for any reason you are not completely satisfied with your order, return your purchase within 30 days of receipt for a full credit or refund, including shipping and handling.

Are you ready for Check 21?

The "Check Clearing for the 21st Century Act," enacted by the U.S. Congress, essentially allows banks to send electronic images of your checks through the clearing system instead of the actual physical check. Sage Software checks meet and exceed ANSI X9 specifications as required by the new legislation.

Visit www.bestsoftware.com/checks to learn more about how Check 21 affects you and your business.

Compatible Envelopes

Sage Software Checks and Forms are designed for compatibility with our window envelopes. Save time and money by purchasing your envelopes directly from Sage Software.

Double Window

Tested for compatibility and 100% guaranteed.

With our double window envelopes, your company name and return address will show through the top window for a professional look.

Self-Seal

Upgrade to Self-Seal envelopes. Our latex self-sealing closure is an easier, more convenient, cleaner process for mailing your checks for payment or payroll.

- No moistening needed.
- Compatibility guaranteed.

Single Window with Personalization

Your company name and return address are printed on the envelope itself. For an additional charge, we can even add your logo and print it in color.

Large Mailing Envelopes

For those oversized documents or materials you don't want to bend to fit into standard sized envelopes, we're offering this large mailing envelope! This large format envelope is available in 2 different colors—white and brown—and can be imprinted with your logo and return address. You can even add an additional message such as 'Important Documents Enclosed' or instructions such as 'Photos-Please Do Not Fold'.

Large Mailing Envelope Features:

- 9 1/2" x 12 1/2", gummed flap on 9 1/2" side.
- 28# White or Brown available.
- Option of return address imprint with logo or without logo.
- Option of marketing message imprint.
- Choice of typestyles (refer to page 5 for options).
- Choice of ink colors (refer to page 5 for options).
